**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition.

I choose a competitive provider because when I have problems and I call them on the phone, they are actual human beings and come and help me ,instead of robots that put me on hold forever and charge me for things that Ive never ordered. I have had the worst experiences with Comcast and AT&T and these large companies that just rob us and everybody knows it.
